Supporting manufacturers
throughout the
Tampa Bay area.

BAMA's primary purpose is to support manufacturers and promote economic development through manufacturing in the Tampa Bay Region.

BAMA provides a forum to exchange **ideas and share "best practice"** information; network with colleagues; learn about manufacturing related topics through our educational programs and tours; and support Scholarship and STEM programs.

Bay Area Manufacturers Association

BAMA OFFERS

- Support in the development and growth of manufacturing in the Tampa Bay Area (Hillsborough, Pasco and Pinellas).
- Opportunities to get involved with BAMA and its Board members by volunteering on the various committees.
- The BAMA Member Help Line provides BAMA members access to experts in a variety of fields for telephonic advice or referral assistance at no cost.
- Expert speaker presentations and/or panel discussions at our dinner meetings.
- Seminars, workshops and luncheons on a variety of topics at discounted rates.
- Newsletters with informative articles on topics relevant to your business.
- Plant and facility tours of local manufacturing establishments.
- Up-to-date and archived information and articles in one location—on the BAMA website.
- Support of STEM programs, which are funded through the Annual BAMA Scholarship Golf Tournament Fundraiser.

Thanks to the generous support of our BAMA members, sponsors and supporters of our Annual Scholarship Golf Tournament Fundraiser, BAMA is pleased to offer the continued support of these STEM activities:

Scholarships to support students from the Tampa Bay area who are pursuing manufacturing careers.

Support of STEM Goes to Work program, providing students and parents the opportunity to tour manufacturing facilities.

Support of the Educators Workshop and the Young Innovator Competition, allowing K-12 students to channel school related STEM efforts towards strong innovative and inventive activities.

Support of Science Teams and Robotics Summer Camps for middle and high school students, in partnership with FLATE.

MEMBER BENEFITS

Dinner Meetings

BAMA holds dinner meetings where manufacturers have the opportunity to work together and exchange ideas and information on a one-on-one basis.

Plant Tours

There is a large concentration of manufacturers in the Tampa Bay area; more than most people realize. At various times during the year, BAMA members are invited to tour other manufacturing facilities in the area.

Seminars/Luncheons

During the year, BAMA holds seminars and workshops on a variety of timely topics... in-depth presentations by experts, featuring an agenda designed to provide detailed information on the subject.

Job Fairs

BAMA participates in job fairs with local colleges, trade schools and CareerSource to help fill much needed manufacturing positions throughout Tampa Bay.
